ST KITTS AND NEVIS

St Kitts and Nevis is a two Island nation located in the West Indies. The country is a Commonwealth realm, and a member of the Caribbean Community and Common Market (CARICOM). St Kitts and Nevis has historically relied on its sugar cane industry to sustain its population, however since the 1970s, the country has witnessed a shift towards a more service based economy, which in turn accounts for 74.2% of the total economy.

The St Kitts and Nevis Citizenship by Investment Programme offers visa free travel to more than 160 countries, including the European Schengen area and Russia.
